We are looking for Metal Stamping Press Operators for our 1st and 2nd shifts who will be responsible for operating power presses ranging from 45 tons to 400 tons, running both regular and progressive dies. The Press Operator will ensure that the press is performing properly in trimming, punching, shaping, notching, drawing, and crimping metal, composite materials, or plastic stock.

Here's what you'll be doing:

- Receive work orders with production instructions and operate a metal stamping punch press as described and setup.
- Monitor machine operation to detect misalignment or malfunction.
- Inspect parts visually or with fixed gauges to verify conformance to specifications and to detect defects.
- Assist with finishing processes, as needed, including deburring parts, finishing edges using vibratory tumbling machines, sanding machines, etc.
- Be flexible and versatile to fill-in in other areas to meet the needs of ever-changing bottlenecks.

You'll love this job if you have/are:

- 1 – 5 years of experience in the metal manufacturing industry, preferably in a job shop environment
- 1 – 3 years of experience operating a metal stamping punch press
- Committed to contributing to the team effort
- Flexible and willing to assist the team in other areas when needed

Position Details:

- Work Schedule:
 - First Shift: Monday – Thursday, 6:00am – 4:30pm
 - Second Shift: Monday – Thursday, 4:30pm – 3:00am
- Wage Range: \$18 - \$26 / hour

REV Date: 5/28/2021
