

Metalcraft Industries is a premier metal manufacturing partner with CNC machining, stamping, and sheet metal capabilities all under one roof. We prioritize the professional development of our associates and the continuous improvement of our business. Our core values and commitment to providing a safe environment guide all our actions.

Unity | Commitment | Responsibility | Excellence | Support | Innovation

We are looking for an Industrial Maintenance Technician who will be responsible for installing, maintaining, troubleshooting, and repairing a wide variety of manufacturing and facilities equipment. This position will be incredibly versatile and knowledgeable in several different trades.

Here is what you'll be doing:

- Troubleshoot, diagnose, and repair all manufacturing and facilities equipment
- Use critical thinking and problem solving to define root cause and implement preventative actions
- Develop and implement a TPM schedule to include manufacturing and facilities equipment
- Operate with a sense of urgency that facilitates minimal production down time
- Evaluate needs and coordinate with the Manufacturing Manager to re-prioritize, as needed.
- Be flexible and versatile to fill-in in other areas to meet the needs of ever-changing bottlenecks.

You'll love this job if you have/are:

- 5+ years' industrial maintenance experience required
- 5+ years' experience in a manufacturing environment required
- 5+ years' experience in electrical troubleshooting. Preferred experience in both high and low voltage AC or DC circuits.
- 3+ years' experience with general building maintenance including air handling units, plumbing, fire systems, etc.
- Innate sense of curiosity and the ability to use it to solve problems and troubleshoot machine
- Ability to effectively communicate and coordinate with outside vendors and contractors
- Committed to contributing to the team effort
- Flexible and willing to assist the team in other areas when needed

Position Details:

- Work Schedule: Monday – Friday, 7:00am – 3:30pm
- Requires flexibility to work around the production schedule
- Wage Range: \$27 - \$34 / hour

We have delivered high-quality products for three generations. We have an amazing team and want someone who cares about fostering a positive, team-orientated, engaging culture!
